

# Alzheimer's Hard Questions: The Essential Guide for Families and Professionals

Alzheimer's disease is a devastating illness that affects millions of people worldwide. It is a progressive disease that slowly robs people of their memory, thinking skills, and ability to care for themselves. For families and professionals who care for people with Alzheimer's, the disease can be a source of great stress and heartache.

In his book Alzheimer's Hard Questions, James Lindemann Nelson provides practical advice and support for families and professionals who are facing the challenges of Alzheimer's disease. Nelson is a leading expert on Alzheimer's care, and he has drawn on his years of experience to create a book that is both informative and compassionate.

Alzheimer's Hard Questions covers a wide range of topics, including:
