**Animal Picture Encyclopedia** is a comprehensive visual guide to the animal kingdom for kids. With over 1,000 stunning photographs and engaging text, this book brings the animal kingdom to life for young readers.

The book is organized into seven chapters, each of which covers a different group of animals. The chapters are:

- Mammals
- Birds
- Reptiles

- Amphibians
- Fish
- Insects
- Other Invertebrates

Each chapter is packed with information about the animals in that group, including their physical characteristics, behavior, habitat, and diet. The text is written in a clear and concise style, and it is accessible to young readers of all ages.

The photographs in **Animal Picture Encyclopedia** are simply stunning. They capture the beauty and diversity of the animal kingdom, and they help to bring the animals to life for young readers. The photographs are also accompanied by detailed captions that provide additional information about the animals.

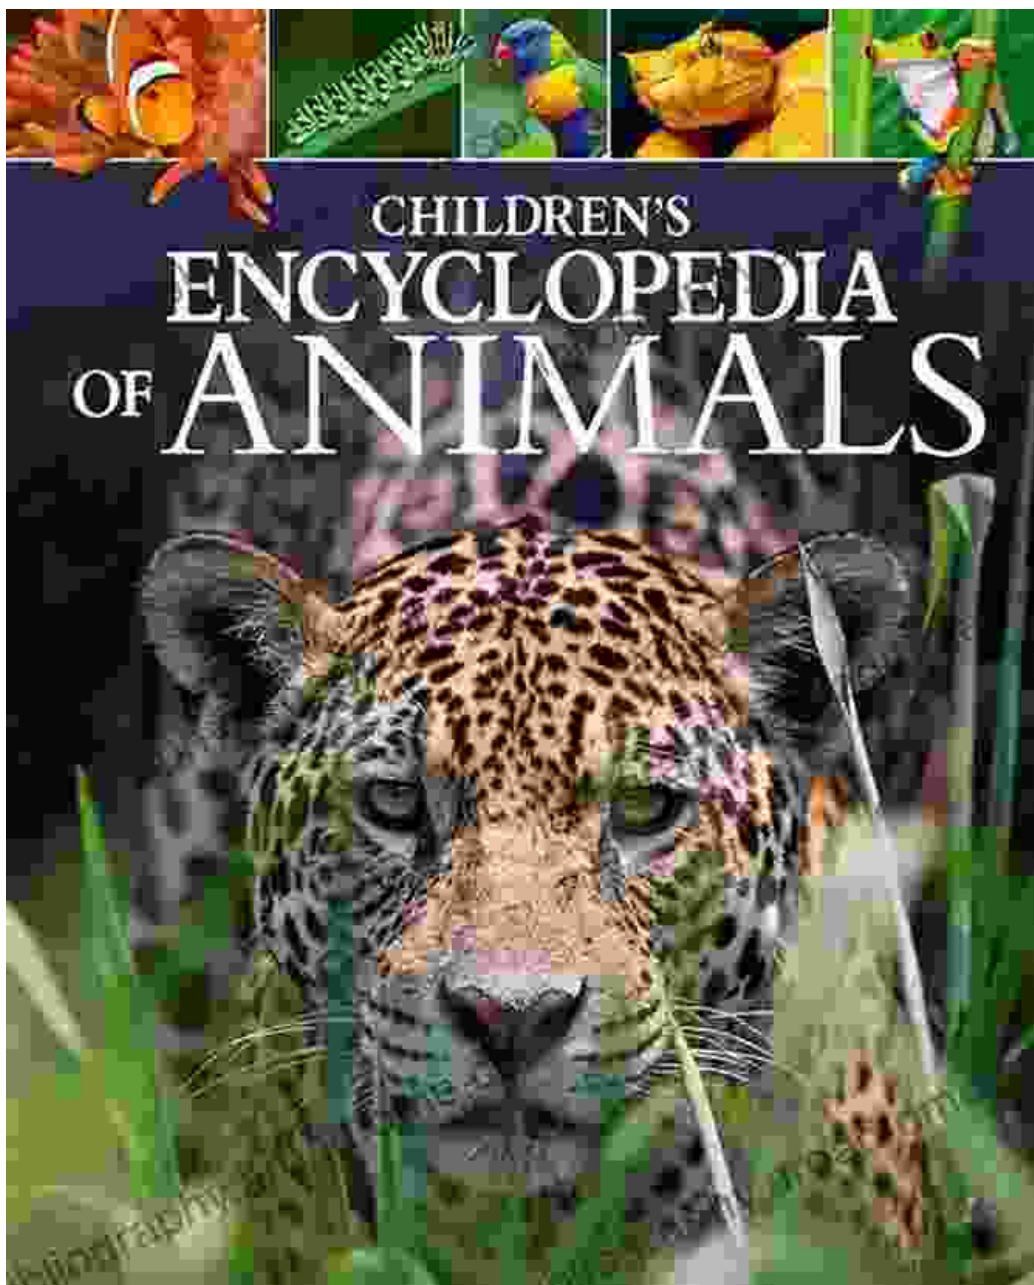

**Animal Picture Encyclopedia** is a valuable resource for any child who is interested in learning about the animal kingdom. It is a fun and informative book that will appeal to young readers of all ages.

**Here are some of the things that make Animal Picture Encyclopedia special:**

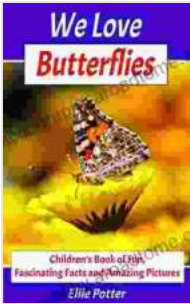

- Over 1,000 stunning photographs
- Engaging text that is accessible to young readers of all ages
- Detailed captions that provide additional information about the animals
- Organized into seven chapters, each of which covers a different group of animals

If you are looking for a comprehensive and engaging animal encyclopedia for your child, then **Animal Picture Encyclopedia** is the perfect choice.
