The book is divided into four parts, each of which focuses on a different aspect of conflict and change in Asia. The first part, "The Cold War in Asia," examines the impact of the Cold War on Asia and the role that Asia played in the global Cold War conflict. The second part, "The Vietnam War," provides a detailed account of the Vietnam War and its impact on both Vietnam and the United States. The third part, "The Korean War," examines the Korean War and its impact on Korea and the wider region. The fourth

part, "The Chinese Revolution," explores the Chinese Revolution and its impact on China and the world.
