In the realm of contemporary art, Herbert Höbler stands as a visionary pioneer, renowned for his groundbreaking explorations of the intersection between art, identity, and the transformative power of movement. His seminal book, "Walking Moving Experience: A Way of Creating and Living in the World," offers a profound and immersive journey into his artistic practice, inviting readers to witness firsthand the transformative possibilities that lie within the act of walking, moving, and inhabiting space.

Published in 2023 by Kerber Verlag, "Walking Moving Experience" is a testament to Höbler's enduring influence on the art world and a must-read for anyone interested in the frontiers of contemporary art, performance studies, and the philosophy of embodiment.

Herbert Höbler: A Pioneer of Movement Art

Born in 1934 in Vienna, Herbert Höbner is widely regarded as one of the most significant figures in postwar European art. His practice spans multiple disciplines, including performance art, installation, and sculpture, consistently challenging conventional notions of artistic form and audience engagement.

Höbner's work is characterized by its focus on the human body as a site of artistic expression and its exploration of the relationship between the individual and their surrounding environment. Through meticulously orchestrated walks and movements, Höbner invites participants and viewers to become active co-creators in the artistic experience, blurring the lines between artist, artwork, and audience.

"Walking Moving Experience": A Journey into Höbner's Artistic World

"Walking Moving Experience" is not merely a book documenting Höbner's artistic practice; it is an immersive experience in its own right. The book's format is as innovative as its content, blurring the boundaries between text, image, and interactive elements.

Höbner's evocative prose, detailed instructions for guided walks, and stunning photography seamlessly intertwine, inviting readers to fully engage their senses and experience Höbner's artistic vision firsthand. The book's design encourages active participation, prompting readers to step outside their comfort zones and embark on their own journeys of movement and discovery.

Unveiling the Themes of "Walking Moving Experience"

Central to "Walking Moving Experience" is the concept of "walking-moving-thinking," a practice that Höbner has developed over decades of artistic exploration. This practice involves using walking and other forms of

movement as a means to engage with the world, fostering a heightened awareness of one's surroundings and oneself.

Through "Walking Moving Experience," Höbler invites readers to consider the profound implications of walking and moving not only as physical acts but also as processes of knowing, being, and creating. The book encourages a deeper understanding of the interconnectedness between our bodies, our minds, and the world around us.

The Enduring Legacy of Herbert Höbler

Herbert Höbler's "Walking Moving Experience" is a seminal work that continues to inspire and provoke artists, performers, and audiences alike. Its exploration of the transformative power of movement and the blurring of boundaries between art and life remains highly relevant in today's world, where social and environmental challenges demand innovative approaches to creative expression and human connection.

Höbler's legacy lies not only in his groundbreaking artistic practice but also in his ability to empower others to experience the world in new and meaningful ways. "Walking Moving Experience" is an invitation to embark on a journey of self-discovery and artistic engagement, leaving an enduring mark on all who encounter it.
