In her powerful and inspiring memoir, *My Nightlife Is 24*, author Sarah Silverman shares her incredible journey of overcoming addiction and finding hope in the darkest of times.

Sarah's story begins in the depths of addiction. She was a successful young woman with a promising career, but her life was spiraling out of control. She was drinking heavily, using drugs, and gambling away her money. She had lost everything that was important to her, including her job, her home, and her family.

But Sarah refused to give up. She knew that she had to hit rock bottom before she could start to rebuild her life. And so, she checked herself into rehab.

Rehab was a difficult and challenging experience, but it was also the best thing that Sarah ever did. She learned how to face her addiction and start to heal. She also met other people who were struggling with addiction, and she found a sense of community and support.

After completing rehab, Sarah dedicated her life to helping others who are struggling with addiction. She became a certified addiction counselor and started working at a local treatment center. She also volunteers her time with several organizations that help people in recovery.

Sarah's story is a powerful reminder that addiction can be overcome. It is a story of hope, inspiration, and triumph. *My Nightlife Is 24* is a must-read for anyone who has been touched by addiction, or for anyone who is looking for inspiration in their own life.
