By Isaias Afwerki

Restoring the Forests of Africa is a book that tells the story of how one man and his team of dedicated volunteers are working to restore the forests of Africa. The book is filled with beautiful photographs and inspiring stories of hope and renewal.

Isaias Afwerki, the founder of the Green Belt Movement, has been working to restore the forests of Africa for over 40 years. Afwerki has planted over 10 million trees in his lifetime, and his work has helped to improve the lives of millions of people.

The Green Belt Movement is a non-profit organization that works to restore the forests of Africa by planting trees, educating communities about the importance of forests, and advocating for policies that protect forests.

Restoring the Forests of Africa is a book that will inspire you to make a difference in the world. It is a book that will give you hope for the future of Africa.
