- Requests and commands

In Spanish, the subjunctive mood is often used when the speaker is not sure about something or when they are expressing a wish or desire.

## **Why is the Spanish Subjunctive So Difficult?**

There are a few reasons why Spanish learners often struggle with the subjunctive mood:

- The subjunctive mood is not used as often in English, so it can be difficult for learners to get used to using it in Spanish.
- The subjunctive mood has a number of irregular verb forms, which can make it difficult to remember when to use which form.
- The subjunctive mood is often used in complex sentences, which can make it difficult for learners to understand how to use it correctly.
