Featuring exclusive interviews with hip hop's biggest names, this book is a must-read for any fan of the genre.

From the :

***“Hip hop has come a long way since its humble beginnings in the Bronx in the early 1970s. In the decades since, it has evolved into a global phenomenon, with artists from all over the world embracing its unique sound and style.*”**

***Volume Five of The History of Hip Hop picks up where Volume Four left off, tracing the evolution of hip hop from the early 1990s to the present day. This period saw the rise of some of the genre's biggest stars, including Tupac Shakur, The Notorious B.I.G., and Jay-Z. It also saw the emergence of new subgenres, such as gangsta rap and conscious rap.***

***Through exclusive interviews with hip hop's biggest names, Chang tells the story of how hip hop has evolved over the past three decades. He explores the social and political forces that have shaped the genre, and he examines the impact that hip hop has had on popular culture.”***
