Createspace and Kdp are two self-publishing platforms that allow you to publish your book in print and ebook formats. Createspace is owned by Our Book Library, and Kdp is owned by Barnes & Noble.

Both Createspace and Kdp offer a variety of tools and services to help you publish your book. However, one of the best things about these platforms is that you can use free software to create your book.

In this article, I'll show you how to make Createspace and Kdp books with free software. I'll cover everything from formatting your book to creating a cover to uploading your book to Our Book Library.

Formatting Your Book

The first step in creating a Createspace or Kdp book is to format your book. This means making sure that your book meets the formatting requirements of the platform.

Createspace and Kdp have different formatting requirements, so it's important to check the guidelines for the platform you're using.

Once you know the formatting requirements, you can use a word processor like Microsoft Word or Google Docs to format your book.

When formatting your book, be sure to pay attention to the following:

- **Page size:** Createspace and Kdp have different page size requirements. Be sure to check the guidelines for the platform you're using.
- **Margins:** Createspace and Kdp have different margin requirements. Be sure to check the guidelines for the platform you're using.
- **Font:** Createspace and Kdp have different font requirements. Be sure to check the guidelines for the platform you're using.
- **Line spacing:** Createspace and Kdp have different line spacing requirements. Be sure to check the guidelines for the platform you're using.

Creating a Cover

Once you've formatted your book, you need to create a cover. Your cover is the first thing potential readers will see, so it's important to make a good impression.

You can create a cover using a variety of free software programs, such as GIMP or Canva.

When creating your cover, be sure to keep the following in mind:

- **Size:** Createspace and Kdp have different cover size requirements. Be sure to check the guidelines for the platform you're using.
- **Resolution:** Createspace and Kdp have different resolution requirements for covers. Be sure to check the guidelines for the platform you're using.
- **File format:** Createspace and Kdp accept different file formats for covers. Be sure to check the guidelines for the platform you're using.

Uploading Your Book to Our Book Library

Once you've created your book and cover, you need to upload it to Our Book Library.

To upload your book to Our Book Library, you'll need to create a Createspace or Kdp account. Once you have an account, you can follow the instructions on the website to upload your book.

Creating a Createspace or Kdp book with free software is a quick and easy way to self-publish your book on Our Book Library. By following the steps in

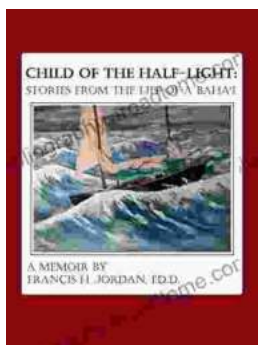

this article, you can create a professional-looking book that will appeal to potential readers.
