

The Remaking of Liberal Theology: Rethinking the Christian Tradition

In this groundbreaking work in theological ethics, David Gushee explores the profound implications of the Reformation for our understanding of God, the human person, and the world. Gushee argues that the Reformation's emphasis on the sovereignty of God and the sinfulness of humanity has led to a distorted view of God as a distant and wrathful judge, and of humanity as inherently evil.

Gushee offers a compelling alternative vision of God as a loving and merciful Father, and of humanity as created in the image of God and called to live in communion with God and with one another. This vision, he argues, has profound implications for our understanding of sin, salvation, and the Christian life.

The Remaking of Liberal Theology is a must-read for anyone interested in the future of Christianity. Gushee's insights are both timely and provocative,

and they offer a fresh perspective on the central questions of Christian faith.

Praise for The Remaking of Liberal Theology

"Gushee has written a tour de force that will reshape the way we think about liberal theology. This is a must-read for anyone interested in the future of Christianity." - Stanley Hauerwas, Duke University

"Gushee's work is a major contribution to theological ethics. He offers a compelling vision of a Christianity that is both faithful to the Reformation tradition and relevant to the challenges of the 21st century." - Miroslav Volf, Yale University

"The Remaking of Liberal Theology is a brilliant and provocative work that will spark a much-needed debate about the future of Christianity. Gushee's insights are essential reading for anyone who cares about the future of our faith." - Cornel West, Union Theological Seminary

About the Author

David Gushee is the Distinguished University Professor of Christian Ethics at Mercer University. He is the author of numerous books, including *The Future of Faith*, *Righteousness: A Christian Theology*, and *Kingdom Ethics: Following Jesus in Contemporary Context*.
