

Training Days: The Subway Artists Then and Now

A New Book by Martha Cooper and Henry Chalfant

Training Days: The Subway Artists Then and Now is a new book that tells the story of the graffiti artists who transformed New York City's subway system in the 1970s and 1980s. The book features interviews with over 50 artists, as well as hundreds of never-before-seen photographs. It is a must-read for anyone interested in the history of graffiti and street art.

The subway artists of the 1970s and 1980s were a diverse group of young people who came from all walks of life. They were united by their love of graffiti and their desire to make their mark on the city. They risked their lives to paint their names and images on the subway cars, and their work quickly became a symbol of the city's vibrant and rebellious spirit.

Training Days tells the story of these artists from their early days as teenagers tagging their neighborhoods to their rise to international fame. The book features interviews with some of the most iconic graffiti artists of all time, including TAKI 183, LEE, PHASE 2, and Futura 2000. The artists talk about their motivations, their techniques, and the risks they took to pursue their passion.

Training Days is also a visual feast. The book is filled with hundreds of never-before-seen photographs of graffiti art from the 1970s and 1980s. These photographs capture the beauty and the power of the graffiti movement, and they provide a unique glimpse into the lives of the artists who created it.

Training Days is a must-read for anyone interested in the history of graffiti and street art. It is a beautifully written and visually stunning book that tells the story of a group of young people who changed the face of New York City.
