**Prepare to be challenged and enlightened as you embark on a journey through the pages of 'Evangelicals and White Supremacy in the Civil Rights Era'. This meticulously researched and thought-provoking book exposes the deeply troubling alliance between evangelicalism and racism that shaped a pivotal chapter in American history.**

Step back into the heart of the Civil Rights Era, a time of profound struggle and transformation. As the nation grappled with the fight for equality, many religious leaders stood on the wrong side of history, actively supporting segregation and discrimination. This book uncovers the shocking extent of evangelical complicity in perpetuating white supremacy.

Through meticulously analyzed primary sources and insightful commentary, the author paints a vivid picture of how evangelical leaders twisted the teachings of Christianity to justify their racist beliefs. They preached a distorted gospel that upheld white dominance and condemned racial equality as a threat to their way of life.

### **Delve into the disturbing details of:**

- **Twisted Sermons:** How evangelicals used their pulpits to spread propaganda and demonize civil rights activists.
- **Political Influence:** The behind-the-scenes maneuvering of evangelical leaders to shape public policy in favor of segregation.
- **Personal Connections:** The intimate relationships between evangelical leaders and prominent white supremacists.
- **Institutional Racism:** The role of evangelical institutions in perpetuating a culture of white privilege and racial inequality.

This book is not merely a historical account but a call to action. It compels us to confront the uncomfortable truths of our past and present. By understanding the dark alliance between evangelicalism and white supremacy, we can work towards a more just and equitable future where religious beliefs truly promote love and equality for all.

### **'Evangelicals and White Supremacy in the Civil Rights Era' is a must-read for:**

- Historians and theologians seeking to uncover this overlooked chapter in American history.

- Activists and social justice advocates determined to challenge racism and white supremacy.
- Anyone interested in the complex interplay between religion, politics, and race in American society.
