This guide will provide you with everything you need to know to get a job fast in the post-COVID-19 world.

1. Update your resume and LinkedIn profile

The first step to getting a job is to update your resume and LinkedIn profile.

A poorly written or outdated resume and LinkedIn profile can ruin your chances of getting a job. That's why it's important to take the time to update them with relevant keywords and information.

Coronavirus (COVID-19)

healthdirect

How to avoid infection and spreading the virus

Wash your hands often for at least 20 seconds

Avoid touching your eyes, nose or mouth

Cover your mouth and nose when coughing or sneezing

Practice physical distancing by staying 1.5 metres from others

Wear a mask when in crowded situations

Clean and disinfect frequently touched objects and surfaces

Stay home if you are feeling unwell

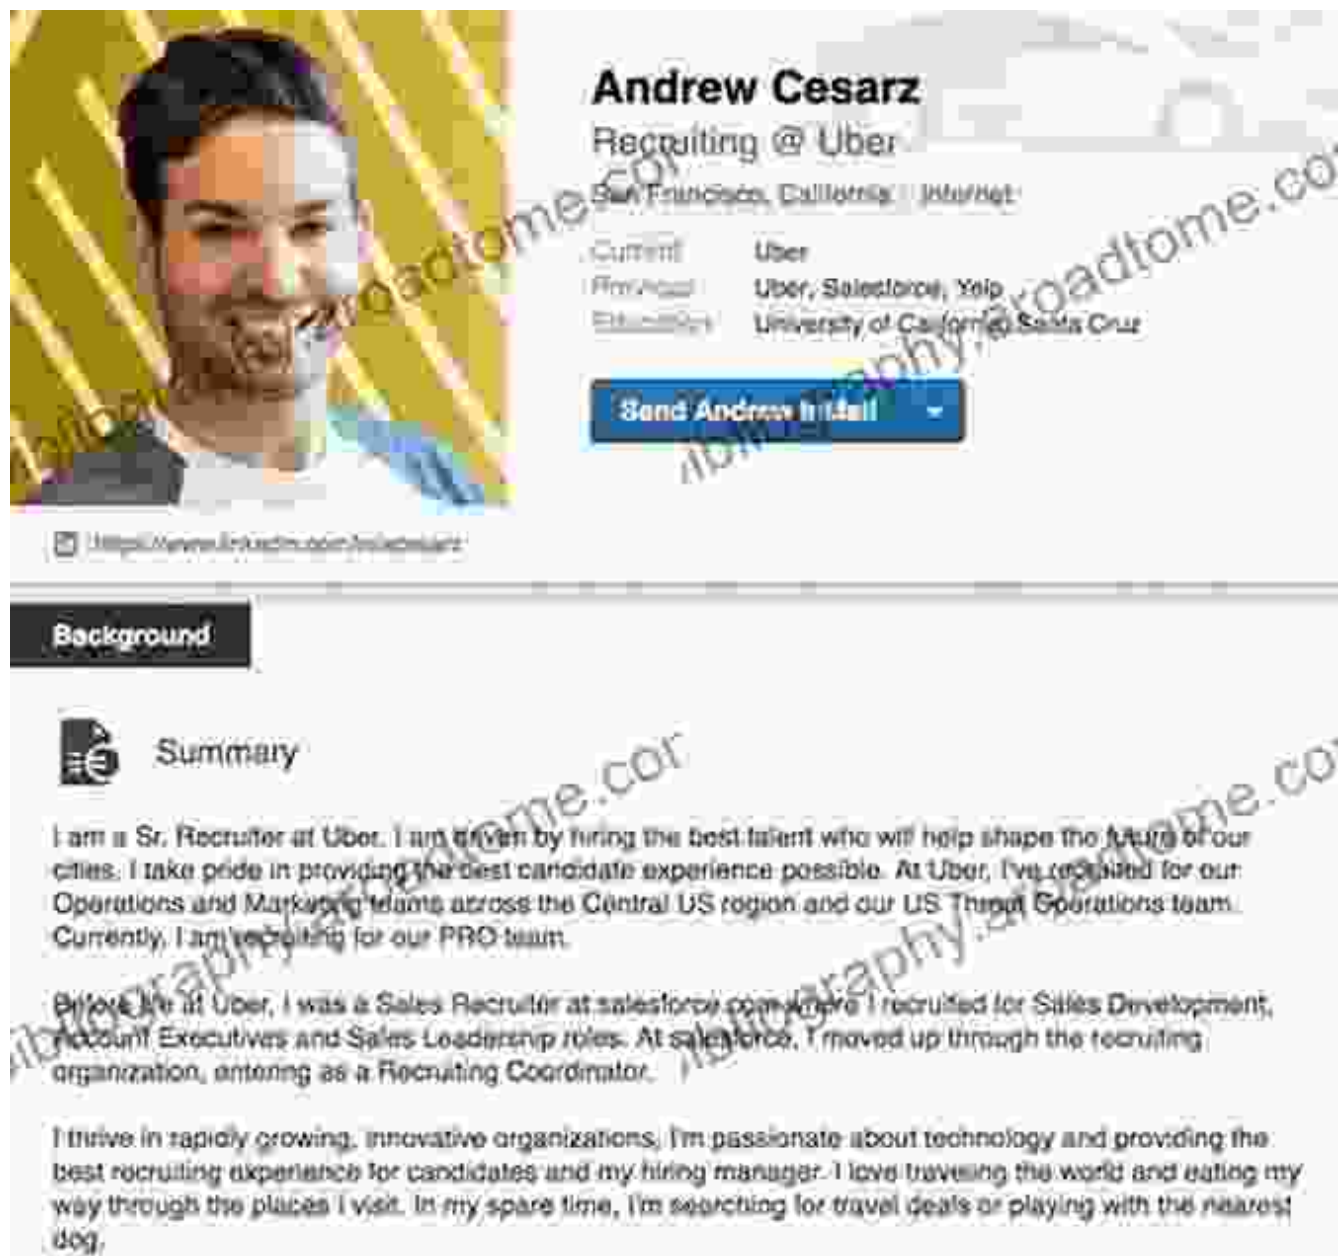

With additional precautions, coronavirus can be safely returned to work and the community, workplaces and businesses in your area or industry.

Here are several tips for updating your resume:

- Use a professional font and layout.
- Highlight your skills and experience in detail.
- Quantify your accomplishments whenever possible.
- Tailor your resume to each job you apply for.

- Proofread your resume carefully before submitting it.

Your LinkedIn profile should also be up to date and professional.

The image shows a screenshot of a LinkedIn profile for Andrew Cesarz. The profile header includes his name, current role as Recruiting @ Uber, and location in San Francisco, California. It lists his current company as Uber, previous companies as Uber, Salesforce, and Yelp, and his education at the University of California, Santa Cruz. A 'Send Andrew a message' button is visible. Below the header is a 'Background' section with a 'Summary' sub-section. The summary text describes his role as a Sr. Recruiter at Uber, his experience at Uber and Salesforce, and his interests in technology and travel.

Background

Summary

I am a Sr. Recruiter at Uber. I am driven by hiring the best talent who will help shape the future of our cities. I take pride in providing the best candidate experience possible. At Uber, I've recruited for our Operations and Marketing teams across the Central US region and our US Third Operations team. Currently, I am recruiting for our PRO team.

Before my time at Uber, I was a Sales Recruiter at salesforce.com where I recruited for Sales Development, Account Executives and Sales Leadership roles. At salesforce, I moved up through the recruiting organization, entering as a Recruiting Coordinator.

I thrive in rapidly growing, innovative organizations. I'm passionate about technology and providing the best recruiting experience for candidates and my hiring manager. I love traveling the world and eating my way through the places I visit. In my spare time, I'm searching for travel deals or playing with the nearest dog.

Here are several tips for updating your LinkedIn profile:

- Use a professional headshot.
- Write a compelling headline.
- Use relevant keywords in your summary.
- Join relevant groups.
- Network with other professionals.

2. Network

Networking is one of the most important things you can do to get a job.

Attending industry events, volunteering, meeting with friends and family, and joining online communities can all help put you in touch with potential employers.

Here are several tips for networking:

- Attend industry events.
- Volunteer.
- Talk to friends and family about job openings.
- Join online communities.
- Reach out to potential employers directly.

3. Apply for jobs

Once you have updated your resume and LinkedIn profile and started networking, it's time to start applying for jobs.

There are a several ways to find job openings, including online job boards, company websites, and recruiters.

Here are several tips for applying for jobs:

- Tailor your cover letter to each job you apply for.

- Proofread your application materials carefully before submitting them.
- Follow up with potential employers after you apply.

4. Interviewing

If you're lucky, you'll be invited to interview for a job.

Interviews can be nerve-wracking, but there are several things you can do to prepare for them and increase your chances of success.

Here are several tips for interviewing:

- Do your research on the company and the position.
- Practice answering common interview questions.
- Dress professionally.
- Be polite and respectful.
- Follow up with the interviewer after the interview.

5. Negotiating your salary and benefits

If you're offered a job, it's important to negotiate your salary and benefits.

Negotiating can be a daunting task, but it's important to do your research and know your worth.

Here are several tips for negotiating your salary and benefits:

- Research the average salary for your position.
- Be prepared to discuss your salary expectations.
- Be willing to negotiate.
- Don't be afraid to walk away from a job offer that doesn't meet your needs.

6. Starting your new job

Once you've accepted a job offer, it's important to start off on the right foot.

Here are several tips for starting your new job:

- Be on time for your first day.
- Dress professionally.
- Be polite and respectful.
- Ask questions.
- Be a team player.

Getting a job in the post-COVID-19 world can be a challenge, but it's not impossible.

By following the tips in this guide, you can increase your chances of finding a job fast.
